The screenshot shows the 'Visit Japan Web' interface for pre-registration for quarantine procedures. At the top, there is a blue header with a hamburger menu icon, the text 'Visit Japan Web', and a help icon. Below the header, there is a section titled 'Pre-registration for quarantine procedures' with a document icon and a checkmark. Underneath, there is a blue box labeled '空港検疫係員専用欄/for quarantine use only'. Inside this box, there are two columns: 'ワクチン接種' (Vaccination) with a button '接種あり' (Vaccinated), and '空港検査/入国後待機' (Airport inspection/Waiting after entry) with a button '待機なし' (No waiting). Below the blue box, there is a message: 'You have completed all pre-registration for quarantine procedures. Please show this screen when you board the aircraft and when you land in Japan.' followed by a red message: 'You are encouraged to save screenshots from Fast Track, in case you do not have online access when needed.' and a link 'How to save screenshots'. At the bottom, there is a blue bar with 'Current status' and 'Review completed'. Below that, there is a dropdown menu for 'Person registering' with 'TEST MHLW' selected.

Please let us know if you would like to proceed to the Priority lane

※We give you the priority card if you would like to proceed to the priority lane.

Pregnant passenger

Passenger using strollers
