## **Haneda Airport Named World's Best in Three Categories at 2026 SKYTRAX World Airport Awards**

Haneda Airport passenger terminals\*<sup>1</sup> have been awarded 1st place in below three categories at the 2026 World Airport Awards, an international airport evaluation conducted by the UK-based company SKYTRAX\*<sup>2</sup>.

**World's Best Domestic Airports: Ranked No. 1 for the 14th consecutive year**

**World's Cleanest Airports: Ranked No. 1 for the 11th consecutive year (13th time overall)**

**World's Best PRM / Accessible Facilities: Ranked No. 1 for the 8th consecutive year**

In the World's Best Domestic Airports category, Haneda Airport received high recognition for the overall convenience, comfort, and ease of use of its domestic terminal areas, achieving the top ranking for the 14th consecutive year. In the World's Cleanest Airports category, the airport was praised for its outstanding standards of cleanliness and comfort, earning the No. 1 ranking for the 11th consecutive year. Furthermore, in the World's Best PRM / Accessible Facilities category, which evaluates initiatives supporting passengers who require mobility assistance, Haneda Airport's high level of service was once again recognized, securing the world's top ranking for the 8th consecutive year.

In addition, Haneda Airport was ranked No. 3 in both World's Best Airports category and the Best Airports in Asia category. It is also ranked No. 3 in the World's Best Airport Dining and World's Best Airport Washrooms categories. Furthermore, the hotel connected to the passenger terminal, Hotel Villa Fontaine Grand Haneda\*<sup>3</sup>, was ranked No. 3 in the Best Airport Hotels in Asia category.

Haneda Airport plays an important role as a hub airport with a dynamic domestic and international route network. With a spirit of gratitude to customers who use the airport, we will continue to work closely with airport-related companies and organizations to provide services of the highest global standards. We will continue striving to earn the trust of our customers from around the world and other stakeholders through our ongoing development of facilities that prioritize convenience and comfort. We will also endeavor to improve our services and create an airport that is friendly to both people and the environment in order to contribute to the further advancement of the aviation industry.
